

**CHAINS BROKEN
A Visible Miracle**

A Glorious testimony to the power of Jesus turned the whole village called Kadappa Gunda in Andhra Pradesh to Jesus.

Dhayalan, the headman of this village fell down from the coconut tree and went into coma with limbs broken. He was admitted and treated in CMC, Vellore for more than a month. IVCs were praying hard for his recovery which was beyond all hope. Mrs. Mary Kala was visiting him periodically. Now he is a standing testimony to his people. Glory be to His name.

EDITORIAL

With immense joy, we release this issue of WARFRONT 38, after an interval of an year due to the prolonged Lockdown. Though the whole world was paralysed, this season became a very busy time for IVCM.

IVCM had to arise to the occasion and help the people in despair by doing the needful. The current events in the world are indicative of the imminent coming of Lord Jesus Christ. IVCM hold fast to the truth and love of the Gospel and proclaim it unrelently in season and out of season.

We owe our thanks to all the donors all over the globe who contributed generously through Crowd Funding. We are happy that we were able to do a considerable size of relief work during this crisis. All glory be to Him.

CHERITH

(A Home away from Home)

About 40 aged people at CHERITH HOME FOR THE AGED, Philipspuram, Arakonam Dt. were given due care even during the worst time of Pandemic. They were all kept safe all through this period and were covered with much prayer. God raises now and then many benevolent people to support this cause. We place on record the appreciation of their charitable act.

WEARY NOT; DO GOOD LOCKDOWN RELIEFS

Weary Not; Do Good is the motto of IVCM. It did not remain as a mere slogan but was put into action specially during the difficult time of prolonged Lockdown. IVCs strove hard untiringly and boldly to reach out the most affected victims of Lockdown.

IVCs were able to carry the Gospel also along with the commodities they supplied such as groceries, vegetables, milk, clean water, medicines etc to the victims. They were able to cover some of the villages in T.V Malai Dt, Chingleput Dt, Vellore Dt, Tiruvallur Dt, Chittor Dt- AP and the slums of Chennai. It tried to relieve people who were gripped with fear about their future and counselled those who were affected with isolation and depression. We could establish new contacts.

BAPTISM

Four people from the neighbouring village accepted Jesus and took baptism. They were the first converts of the newly built church
